

Enrico Mattei, the man who looked to the future

Eni is a partner of Rai Fiction, along with the Lazio Regional Council, the Lazio Development Board and the Roberto Rossellini Foundation, for the 4<sup>th</sup> Rai Fiction Collection to be presented in New York from 19 to 22 January.

During the event, the TV drama on Mattei produced by Lux Vide, with the cooperation of Eni's Historical Archive, will be shown in the original language, with English subtitles, on 22 January at 5 pm at the Paley Center.

Watch the special that highlights content from the TV drama and some of Mattei's most important intuitions, which continue to be among the most qualifying elements in Eni's strategy.
