REGULATION

Consolidated Law on Finance (Legislative Decree 58/98)

Art. 126-bis - Integration of the agenda of the shareholders' meeting and presentation of new proposed resolutions

1. Shareholders, who individually or jointly account for one fortieth of the share capital may ask, within ten days of publication of the notice calling the shareholders' meeting, or within five days in the event of calling the meeting in accordance with article 125-bis, paragraph 3 or article 104, paragraph 2, for the integration of the list of items on the agenda, specifying in the request, the additional items they propose or presenting proposed resolution on items already on the agenda. The requests, together with the certificate attesting ownership of the share, are presented in writing, by correspondence or electronically, in compliance with any requirements strictly necessary for the identification of the applicants indicated by the company. Those with voting rights may individually present proposed resolutions in the shareholders' meeting. For cooperatives the amount of the capital is determined by the statutes also in derogation of article 135.
2. Integrations to the agenda or the presentation of further proposed resolutions on items already on the agenda, in accordance with paragraph 1, are disclosed in the same ways as prescribed for the publication of the notice calling the meeting, at least fifteen days prior to the date scheduled for the shareholders' meeting. Additional proposed resolutions on items already on the agenda are made available to the public in the ways pursuant to article 125-ter, paragraph 1, at the same time as publishing news of the presentation. Terms are reduced to seven days in the case of shareholders' meetings called in accordance with article 104, paragraph 2 or in the case of a shareholders' meeting convened in accordance with article 125-bis, paragraph 3.
3. The agenda cannot be supplemented with items on which, in accordance with the law, the shareholders' meeting resolved on proposal of the administrative body or on the basis of a project or report prepared by it, other than those specified under article 125-ter, paragraph 1.
4. Shareholders requesting integration in accordance with paragraph 1 shall prepare a report giving the reason for the proposed resolutions on the new items for which it proposes discussion or the reason relating to additional proposed resolutions presented on items already on the agenda. The report is sent to the administrative body within the final terms for presentation of the request for integration. The administrative body makes the report available to the public, accompanied by any assessments, at the same time as publishing news of the integration or presentation, in the ways pursuant to article 125-ter, paragraph 1.
5. If the administrative body, or should it fail to take action, the board of auditors or supervisory board or management control committee fail to supplement the agenda with the new items or proposals presented in accordance with paragraph 1, the court, having heard the members of the board of directors and internal control bodies, where their refusal to do so should prove to be unjustified, orders the integration by decree. The decree is published in the ways set out by article 125-ter, paragraph 1.

Article 135-novies - Representation at the shareholders' meeting

1. Any person with the right to vote may indicate one representative for each shareholders' meeting, without prejudice to the right to specify one or more replacements.
2. As an exception to paragraph 1, any person with the right to vote may appoint a different representative for each account, used to record financial instrument transactions, valid where the communication envisaged in Article 83-sexies has been issued.
3. As a further exception to paragraph 1, if the person indicated as owner of the shares in the communication envisaged in Article 83-sexies acts alone or through registered trustees on behalf of his or her customers, the person in question may indicate others on whose behalf he/she acts, or one or more third parties indicated by such customers, as their representative.
4. If the proxy form envisages such an option, the proxy may arrange for personal substitution by another person of his or her choice, without prejudice to compliance with Article 135-decies paragraph 3 and to the right of the person represented to indicate one or more substitutes.
5. In place of the original, the representative may deliver or transmit a copy of the proxy, also in electronic format, confirming his or her liability in compliance of the proxy form to the original and the identity of the delegating party. The representative shall retain the original of the proxy form and keep track of any voting instructions received for a period of one year from closure of the shareholders' meetings concerned.

6. The appointment may be made with a document in an electronic format with a digital signature in accordance with article 21, paragraph 2 of Italian Legislative Decree 82 of 7 March 2005. The companies specify in the Articles of Association at least one way of electronic notification of the proxy.

7. Paragraphs 1, 2, 3 and 4 shall also apply to cases of share transfer by proxy.

8. All of the above without prejudice to the provisions of Article 2372 of the Italian Civil Code. As an exception to article 2372, second paragraph of the Italian Civil Code, asset management companies, SICAVs, harmonized management companies and non-EU parties providing collective investment management services may grant representation for more than one shareholders' meeting.
